Topic: ASSESSMENT REQUIREMENTS FOR 2011

Beginning 2011, all Assessors registered with Eastern Pennsylvania are required to do this number of assessments (minimum) to meet the requirements for recertification the following year.

1. Developmental and Guidance = 5
2. Full Assessments = 2

Developmental and Guidance Assessments

The D & G Forms can be downloaded from EPSARC website www.epsarc.org under the Assessment section. Do these assessments only on NEW or YOUNG referees. These forms are in triplicate. Please make sure the referee, SDA and you have a copy. Contact your local assignor where he has assigned a 3 referee crew game that you can assess. If you have difficulty in arranging for games, please let me know so I can contact the assignors for you.

In the assessment forms, please make sure you have:

1. 3 positive things you observe in the game
2. 3 things that need to be improved, and
3. Suggestions on how to improve those 3 things.

Full Assessments

Full assessment has to be written up on the www.ussoccer.gameofficials.net website after you have done the assessment. Those assessors who have not got an ID and a password to this website, please email me at sdaepsa@yahoo.com, so that I can get you one. There are tutorials on the website to tell you how and what to do.

Once these assessments are posted and released, you can send the link to the referees concern and they can go to the website and see their assessment. You do not have to send me a copy of the assessment as I am able to see all the assessment posted, just email me that you have release the assessment.

Reimbursement

Note your assessments done on the <PAYASSESSOR> form and email it back to me at the end of each month if you have any assessments done for that month.

1. Developmental and Guidance Assessment \$20.00 per game.
2. Full Assessment (after released on website) \$30.00 per game.
3. Full Assessment assigned by the SDA (maintenance, upgrade assessment) \$50.00 per game
